DECLARATION

I declare that the income stated above is true, complete and accurate, that it is the income I rely on to meet my obligations, and that I have not overstated it for the purpose of obtaining mortgage financing. I understand that Lendmax Capital is relying on this declaration in deciding whether to advance funds, that it may verify any part of it, and that a material misstatement may result in the application being declined or, where funds have advanced, in the mortgage being called.
